Vivek Chaudhary

ASPIRING WEB & SOFTWARE DEVELOPER

Lucknow, Uttar Pradesh | yuzijod@gmail.com

PROFILE

Aspiring web and software developer at the beginning of my learning journey. Building on a foundation in C and C++, with ongoing programming practice and exploration of web development through AI-assisted projects. Bringing hands-on computer experience, curiosity, and communication skills to beginner-friendly learning and work opportunities.

SKILLS

Programming foundation: C and C++. Continuing to practice programming and problem solving.
Exploring: Web development, basic script editing, and AI-assisted projects.
Computer foundation: PC setup, hardware/software configuration, troubleshooting, MS Office and Excel.
People: Communication, leadership, team management. Languages: English and Hindi.

PERSONAL PROJECTS

Personal Portfolio | AI-assisted learning project

A responsive HTML, CSS, and JavaScript portfolio with scroll-controlled video, project dialogs, a screenshot slideshow, and a same-page contact form. Built with AI assistance while learning.

C & C++ Programming Practice

Continuing to develop a foundation in C and C++ through programming practice. Also exploring basic code modifications and automation with AI tools.

Gaming PC Setup

Built a full gaming PC setup, including hardware and software configuration.

COMMUNITY EXPERIENCE

Social Media Manager | Nimbi Wolf, Discord | 2024-2025

Social media and community experience, supported by communication and team management skills.

EDUCATION

B.Sc Agriculture | 2023 intake

Undergraduate studies in agriculture.

O Level, NIELIT | 2025 enrollment

Computer education and practical fundamentals.

Class XII, UP Board | 2023 / Class X, UP Board | 2021
